

CHEAT SHEET

COURSE 08

AI CMA and Pricing Cheat Sheet

Use AI to organize market data, rank comps, prepare pricing conversations, roleplay difficult sellers, and explain a CMA without replacing the agent's judgment.

AI Advantage for Real Estate Agents

AI CMA and Pricing Cheat Sheet

1. Build the Subject Property Profile
2. Rank the comps
3. Identify outliers
4. Analyze price per square foot without relying on it alone
5. Separate sold, pending, active, expired, and withdrawn properties
6. Analyze days on market and price reductions
7. Create conservative, supportable, and aggressive ranges
8. Prepare the seller pricing conversation
9. Roleplay an overpriced seller
10. Prepare a price reduction conversation
11. Analyze buyer offer strategy
12. Turn the CMA into plain English
13. Create local market content from verified data
14. Bring Jeremy into financing strategy when relevant

The agent makes the final pricing recommendation.
